**What is CTE?**

Career and technical education, or CTE, is education directly prepares students for high-wage, high-demand careers. CTE programs covers many different fields, including health care, information technology, advanced manufacturing, hospitality and management and many more. Here at Leesville Road High School our CTE courses encompasses many different types of education, from classroom learning, certification programs to work-based learning opportunities outside the classroom (ACTE, 2019). For more information contact Beverly Edwards / CTE Instructional Management Coordinator.
