

High school students in North Carolina can get a head start on college

FOR FREE !

Career and College Promise, or CCP, allows eligible high school students to take college courses at Wake Tech. For detailed information go to:

<https://www.waketech.edu/admissions-aid/career-and-college-promise>

Spring Enrollment Starts October 1.

CCP offers two pathways, depending on a student's goals.

- The **Career and Technical Education Pathway (CTE)** leads to a credential for employment (certificate, diploma, or degree).
- The **College Transfer Pathway (CT)** leads to credit hours that count toward a two-year associate's degree at Wake Tech and align with course requirements at UNC member institutions.

The enrollment process, requirements and deadlines can all be found here:

<https://www.waketech.edu/admissions-aid/career-and-college-promise/newstudents>

- When completing the CCP forms online, all students should enter Mr. Greene's email as the contact person for LRHS. His email is egreene@wcpss.net.
- Students should email Mr. Greene from their school email to receive a transcript for their application.
- Grades from CCP classes DO go on your high school transcript.

CCP Virtual Information Workshop

Join us for this presentation on CCP from Wake Tech Staff

October 14 at 6:30 pm.

Google Meet joining info:
