

High school students in North Carolina can get a head start on college – *for free!*

**Career and College Promise, or CCP**, allows eligible high school students to take college courses at Wake Tech. For detailed information go to this link:

<https://www.waketech.edu/admissions-aid/career-and-college-promise>

CCP offers two pathways, depending on a student's goals. Each pathway includes specific coursework.

The **Career and Technical Education Pathway (CTE)** leads to a credential for employment (certificate, diploma, or degree).

The **College Transfer Pathway (CT)** leads to credit hours that count toward a two-year associate's degree at Wake Tech and align with course requirements at UNC member institutions.

**The Enrollment Process for Spring 2021 classes will begin on September 28**

#### HOW TO GET STARTED:

1. **New CCP Students:** Prospective, new students should first access the information at this link: <https://www.waketech.edu/admissions-aid/career-and-college-promise>  
After attending a Mandatory Information Session online, students will then be able to access the CCP Application Form link and printable enrollment documents. The Mandatory Information Session Online will be available beginning on September 28, 2020.
2. **Continuing CCP Students:** Students who are currently enrolled in the CCP Program will receive their Eligibility Verification (EV) Form within the **Self-Service** portal within the "Required Documents" section. Students must submit an updated high school transcript with their EV Form. (\*Transcripts with a print date between August 17, 2020 to the present day will be acceptable). The Continuing Student EV Form will be available in **Self-Service** on September 28, 2020.
3. **All CCP Students:** When completing the CCP forms online, all students should enter Mr. Greene's email as the contact person for LRHS. His email is [egreene@wcpss.net](mailto:egreene@wcpss.net). Students may email Mr. Greene from their school email to receive an updated transcript.
4. **The requirements to take a CCP class can be found at this link:** <https://www.waketech.edu/admissions-aid/career-and-college-promise/eligibility>

Questions about the CCP Program should be directed to Mr. Greene, [egreene@wcpss.net](mailto:egreene@wcpss.net)
