2. Teachers giving a teacher-made assessment have the option of assessing students through a traditional exam on January 10 and 11, or through a project-based assessment assigned ahead of time or presented on January 10 and 11. It is the responsibility of the teacher to clearly communicate with students about the expectations of this assessment. Should attendance on January 10 and 11 not be required, students need not attend.
3. Students must be present at the beginning of each exam period to take the exam, should a traditional exam be assigned. Students must plan to be present for the **entire exam period. Students will not have access to cell phones during their exam period.**
4. Students should only attend exam periods on January 10 and 11 if an exam is required. On January 12 and January 13, **only** students with a scheduled EOC should report to campus. On January 14, **only** students with a scheduled make up exam should report to campus.
5. Virtual Academy students are still required to take state exams on campus. Wherever possible, smaller settings will be utilized to test Virtual Academy students.
6. **Seniors** with a C or better in a course with a teacher made exam can be exempt from the final exam. Seniors **cannot** be exempt from CTE or EOC exams.
