

## **NEW PARKING APPLICATION PROCEDURES FOR 2020-2021**

[Students may request a parking space for the 2020-2021 School Year by clicking here.](#)

Please note that the parking application has changed and we will collect fees for parking as stated in the form. Please read rules governing the operation of a vehicle at LRHS with your parents or guardian and complete the form if you are interested in obtaining a space for the 2020-2021 school year. Fees will be prorated and last year's credits will be applied when WCPSS goes to Plan A Status. Students will at that time have to pay or lose the space.
