If you are using a school-managed Chromebook, **the App will be automatically downloaded by the school system to the Chromebook.**

Personal Chromebooks

Personal Chromebooks CANNOT be used for AP Digital Testing. If you do not have your own PC or Mac Computer and were planning to use your personal Chromebook, this is NOT an option. **Please contact Mr. Greene, egreene@wcpss.net and let him know you will need a school managed Chromebook.**

Logging In

Complete the installation step by opening the app and logging in with your College Board username and password.

Practice with Example Questions in the Digital Testing Application

Practicing with example questions in the digital testing application is the best way for students to prepare for digital exams. Students can: Answer each type of multiple-choice and/or free-response question they'll encounter on exam day and Preview the exam day flow, so they know what to expect when they test.
