

SCHEDULE INFORMATION

- Schedules will be posted on July 28.
- However, there are still changes being made at this time to the School's Master Schedule which may impact student schedules up until the start of school. Every effort will be made to contact those students whose schedules are impacted by changes to the Master Schedule.
- Schedules are also being adjusted to account for summer school grades and the adjustment to classes due to failure in the 2021-2022 school year and a student's overall progress in their requirements for graduation.
- **ALL questions about schedules, MUST be sent to:**
lrhsscheduling@wcpss.net
- Emails sent directly to the Dean of Students or the school counselors will not be addressed.
- Dropping by the school to talk about a student schedule is not an option at this time, you must use the email listed.
