

LRHS Scholarship Bulletin

September 2020

This bulletin is not meant to be an all-inclusive list of scholarship information. It only contains information on scholarships that we have received at the school. It often does not contain college/university specific scholarships, unless it is a college/university scholarship that requires a specific nomination from Leesville. Students are encouraged to look at the websites for the colleges to which they are applying for specific scholarship information.

All three of the scholarships listed require a school nomination. Please follow the directions for each scholarship.
