The Armed Services Vocational Aptitude Battery (ASVAB) is an aptitude test that helps you determine your own natural abilities, which will assist you in making informed career choices. The military branches require the ASVAB for entrance into the military, and this score determines your job in the military.

ASVAB can be taken by students in grades 10th – 12th that are interested in enlisting/joining right after high school must take this assessment. It is critical that you prepare before taking the ASVAB, using this website: <http://www.military.com/join-armed-forces/asvab>.
