Having a flexible schedule is a privilege granted by WCPSS Board of Education to support the hybrid/blended Crossroads FLEX school model. With this type of schedule comes great responsibility on behalf of parents and students. A flexible schedule allows students the opportunity to attend school at times that do not conflict with their pursuit schedules. In a hybrid setting, there will be some face-to-face classes that students must attend as well as accruing additional seat-time hours to meet the total weekly attendance hours required for their grade level. When reporting to campus, students should plan to remain on-campus for a minimum of two hours.

It is the responsibility of parents and students to adhere to the dismissal procedures that make a flexible schedule possible. The parent and student must agree to the following terms:

- The student and parent/guardian understand that the school is not liable for the student when he/she leaves school for the day based on their flexible schedule.
- Students must have transportation to leave campus immediately once they have completed their hours for the day.
- Student drivers should leave campus immediately without loitering in the parking lot.
- Students who are being picked up by a parent, must remain inside the commons area until their parent arrives.

The parent and student signatures below verify the understanding of the above statements.
