

Graduate Spotlight

Glen Hess - Class of 2001

Developer - Global Knowledge

“Southeast greatly impacted my current job by building my confidence and learning curve with new technology.”

“Working as an animator on the FIRST team greatly impacted my current job.”

“From a technical standpoint, I had to overcome any limitations in skill and tell myself something IS possible.”

“Socially and personally I’ve learned to handle the pressures of managing projects and meeting deadlines while working with my peers.”

“When it came to competitions, it was very important to support your team and take pride in what you have accomplished.”
