

NAF Academy of Engineering

Registration Information

To complete, and graduate from, the NAF Academy of Engineering, students must successfully pass four courses. **The three required engineering courses;** Introduction to Engineering Design (IED), Principles of Engineering (POE) and Engineering Design and Development (EDD) **as well as AT LEAST ONE of the Specialization courses:** Aerospace Engineering (AE), Civil Engineering & Architecture (CEA) or Digital Electronics (DE).

IED is a prerequisite for POE and POE is a prerequisite for all the other courses.

Rising 9th graders should sign up for Introduction to Engineering Design

Rising 10th graders should sign up for Principles of Engineering

Rising 11th graders should sign up for one of the Specialization Courses **

Rising 12th graders should sign up for Engineering Design and Development

**The three specialization courses are on a rotating basis where each year only two courses are offered.

2018/19 - DE and CEA - No AE
2019/20 - AE and CEA - No DE
2020/21 - AE and DE - No CEA
2021/22 - DE and CEA - No AE
2022/23 - CEA and AE - No DE

Along with the coursework, students must complete a paid internship after their junior year.
