

Southeast Raleigh Magnet High School Course Placement Waiver
2020/2021

Accurate Course placement is critical to student success. As a part of the course registration process, teachers counsel students and recommend courses for the following year. Recommendations are based on the student's performance and the teacher's understanding of the curriculum requirement for the subsequent course. Your student's current teacher has recommended the next course for which your student is best prepared to succeed.

Student Name: _____

Power-school number: _____

Recommended Course: _____

Replacement Course: _____

I am the parent/guardian of the above student, and I am aware of the course recommendation made by my child's teachers. I understand that I am overriding the teacher's recommendation, and therefore, understand that placement into the overridden course is therefore final and cannot be changed for any reason once the change is made.

Parent Signature: _____, Date: _____

Parent Signature: _____, Date: _____

- *If you have any questions, contact your child's teacher to discuss the course recommendation or your grade level counselor. Please return the following form to your grade level counselor within 3 days of receiving to ensure changes are made. Thank you*
