

SOUTHEAST RALEIGH MAGNET HIGH SCHOOL COURSE PLACEMENT WAIVER FORM 2016-2017

Return this form attached to your Course Selection Sheet.

Accurate course placement is critical to student success. As part of the registration process, teachers counsel students and recommend courses for the following year. Recommendations are based on student performance and the teacher's understanding of curriculum requirements of the subsequent courses. Your student's current teacher has recommended the next course for which your student is best prepared to succeed.
