

## **GOOD NEWS JUST FOR NORTH CAROLINA JUNIORS**

On February 25, 2020, you and your classmates will participate in the weekday administration of the ACT® test, accepted by all colleges and universities in the United States. As you prepare for the ACT, know that colleges and universities in North Carolina look forward to receiving your ACT scores.

Before the February 25 test date, you will complete the non-test portion of your answer document. At this time, you may select up to four colleges and universities to receive your ACT score report free of charge.

A wide range of colleges, universities, and majors are available in your home state. Should you decide to stay in North Carolina for this next phase of your educational career and want to send your scores to one or more North Carolina colleges or universities, a list of codes is provided on the reverse side of this letter. Feel free to bring this document to identify your selection(s) when you complete the non-test information.

To help with the process of determining the right school for you, ACT provides **free college and career planning** self-assessments. You can log in using any computer, smartphone, or tablet. The questions pinpoint your unique interests, values, and skills. Based on your answers, personalized results are populated onto interactive career and major maps. From there, you can take a closer look to find information related to specific schools, majors, and careers. You can also explore your options, save your favorites, and share them with others. If you would like to take advantage of this service provided by ACT please log in to: **www.act.org/profile**.

We encourage you to discuss these choices with your parent(s) before choosing where to send your ACT scores.

Your transition from high school to college or the workforce is crucial not only for you, but also to North Carolina's future and that of our nation. ACT staff and North Carolina educators encourage you to do your best on the ACT, as well as on your remaining high school coursework.

Sincerely, ACT and the North Carolina Department of Public Instruction
