## Transportation Questions

WCPSS will post the school bus routes on the WCPSS Transportation Website on **August 19th**. Please note that the routes are continuously being updated as new students are added. WCPSS utilizes the Here Comes the Bus APP for tracking buses. The school also uses its Twitter feed for time sensitive updates and delays greater than 30 minutes. Please visit <http://www.wcpss.net/domain/30> for more information or to sign up for service for new bus riders.

## Medications/Medical Plans

Parents please note that if your child will need to take any medications during the school day, he or she will need a current 1702 form completed by your doctor. The form and the medication (in its original packaging) need to be brought to the school by an adult. Medications for this school year can be brought in starting on **Monday, August 22nd from 9-3** to the front office. If your child has any medical condition such as an allergy requiring a medical plan, please contact the front office before the first day of school. Weatherstone does have a Wake County assigned school nurse who helps facilitate the implementation of these plans. We appreciate your assistance in providing these services to your child.

Sincerely,

Tim Chadwick  
Principal
