

Request to Review Senior Honors Designation

A Senior Honors rank is calculated and awarded in accordance with Board Policy 3450, Class Rankings. For students graduating at the end of eight semesters, all high schools will determine senior honors using the GPA at the end of the 1st semester of the graduating year (semester 7). If any student believes that their last semester courses will impact their honors status, they can request that the school review their transcript and final grades. If final semester grades are likely to result in a new / different recognition, the school will honor that recognition. Please note that updates to honors status will only be able to be changed in the graduation program up until a certain date as those are printed well before graduation. No student who earns graduation honors will have their status altered if their final GPA falls in the last semester of study. For students graduating midyear, the school will use this same system for determining graduation honors using the weighted GPA from the last completed semester of study. The principal shall have final approval of honors designations.

Senior honors designations are as follows:

- Students with a 3.75 – 3.99 weighted grade point average shall receive the distinction of cum laude.
- Students with a 4.0 – 4.249 weighted grade point average shall receive the distinction of magna cum laude
- Students with a 4.25 or higher weighted grade point average shall receive the distinction of summa cum laude

Last day to submit a request is 5 school days before graduation.
