Requesting Transcripts

In state colleges (not on Common App)

- Login to www.cfnc.org to request a transcript for **free**.

Out of state colleges (not on Common App)

- Request a transcript through <https://www.wcpss.net/transcripts>. The first three out-of-state and/or scholarship transcripts are free. There is a \$5 charge for each additional transcript.

Common Application/Coalition

- Link your caseload counselor in and they will upload our transcript to all schools on the Common App. Be sure to submit the correct contact information of your counselor.

****Helpful Tip:** You will receive an unofficial copy of your transcript. Save this and use it when appropriate in order to save on the number of transcripts that you need to request through WCPSS.

Students must request midyear reports in January if they are required by the college or university. Students are responsible for sending final reports.

Additional Notes to ask your School Counselor:

Attach Resume which lists your extracurricular and community activities, honors, and awards as well as your role within each activity.

Please answer the following questions thoroughly.

Please share more about your post-secondary plan (include ideas do you have for a college major and/or career)?

Is there any information about you that your counselor should know to share in your letter (family, work, or personal circumstances that may have affected your academic performance at any time)?
