Year Round Vocabulary

- **Tracking In** – when students are attending school
- **Tracking Out** – when students are out of school, usually tracking consists of 45 days in and then 15 days off (due to calendar and track those do vary)
- **Teams/Tracks** - each team at each grade level has a team name and track (Example: 6/4 Toucans are 6th grade students who are on Track 4 and their 'team' name is the Toucans)
- **Pods** - the area outside each grade level group of classrooms where students gather for meetings, etc.

LEGEND / LEYENDA

- Track 4
- Track 2
- Weekend / Fin de Semana
- Track 3
- Vacation Day / Día de Vacaciones
- ★ Early Release Day / Día de Salida Temprana

In accordance with the NC Calendar Law, if the school district must close schools, the superintendent will update this calendar to provide additional days/time by using scheduled teacher workdays, banked instructional hours*, scheduled vacation days, or on Saturdays to meet legal requirements. If students attend school on Thursday or Friday of a week when school has been closed, there may be a make-up day the Saturday of the same week if possible. Students will attend no more than two Saturdays in a row. In extreme cases, holidays may be used for weather make-up.

* Hours accrued by schools over the required 1025 instructional hours

De acuerdo a lo establecido por la Ley de Calendarios de Carolina del Norte, si el distrito escolar tiene que cerrar las escuelas, el Superintendente actualizará este calendario deberá ser actualizado para proporcionar días/horas adicionales, utilizando los días de salida temprana como días completos, días laborales de los maestros, sábados, horas acumuladas de instrucción*, o días programados de vacaciones para cumplir con los requerimientos de ley. Si se utilizan los sábados, estos serán días completos de instrucción. Si se terminan todas las demás opciones, se puede utilizar los días festivos como días de recuperación de clases debido al mal tiempo.
