**Whatever materials you use, you MUST put them back.** There is a designated area/container for most items we use, put it back where you got it from.

**If you make a mess, clean it up.** I will NOT clean up after you, other students will NOT clean up after you.

**Use the art time for making art!** Students who do not use their time to work on art related activities are taking away opportunities for others to make art.

**Your parent/guardian should be here at 3:30 or earlier to pick you up.** I should not be waiting for your parent/guardian to pick you up at 3:40, 3:50, or 4:00. The club ends at 3:30.

**You will bring all of your materials (coat, bookbag, etc.) to my class.** You will not be allowed to go back and forth to your locker during the club. You should already have everything with you.

**Come to my class the next day to pick up your dried art piece.** With your teacher's permission, you can come to my room from 7:05 to 7:25, during your lunch, or afterschool.
