UPDATE as of 6/15/2020 per WCPSS: State guidance is very specific about which cleaning products, hand sanitizers, thermometers, etc. may be used. As a result, we will **not** be able to accept donations from the PTA, other community organizations, or families for these items, including for individual classroom use. Products must be federally approved for use against COVID-19. We plan to have a hand sanitizing station and cleaning supplies readily available in every classroom.
