

BYOD for Kids

1. You are responsible for keeping your device safe. No one at the school or county board is responsible for a lost, stolen, or damaged device. It is your responsibility.
2. Use skins, decals, or labels to make it easy to know which device is yours.
3. You must use the school's Wi-Fi. You may NOT use 3G or 4G at school. If you abuse this rule you will be subject to disciplinary action. We will teach you how to access our Wi-Fi.
4. You will never be required to bring your device to school.
5. Your device must stay in your backpack at all times unless your teacher gives you permission to use it for learning.
6. You may not use your device at lunch, during class changes, restrooms, recess or during dismissal. The device should be in your backpack.
7. Your device must be on silent mode at all times unless being used for learning with your teacher's permission.
8. Your device may not be used to cheat on assignments or tests.
9. You may not use your device to make phone calls, instant message or text.
10. You may not take pictures or videos of anyone at school unless your teacher is supervising you. If you break this rule you will be subject to disciplinary action.
11. You may not play any games on your device unless they are part of your teacher's assignment.
12. You may not print from your device at school.
13. You may not connect your device to any network cable outlet or computer in the school.
14. Charge your device before you bring it to school. You may not charge your device at school.
15. You must follow any other rules or procedures your teacher may set up for your classroom.
16. You may not use your device on the school bus.
