Instructional Material Pick-Up

Please come by LMES and pick up instructional materials for your child. These include books and manipulatives for learning. You may pick up in the bus loop entrance on Monday, August 17th from 9-6pm. If you can not pick up at this time please reach out to the school at 919-365-8990 to schedule a pick up time.

If you requested a device!

The district is working hard to roll out Chromebooks to 40,000 students. If you requested a device you will be receiving an email letting you know when and where to pick it up. We ask that you are patient as the district manages all the requests. Until you have a device you may reach out through email and Dojo for activities for your child.

Attendance

It will be important for your child to log in daily to be counted as present. If you do not have a device yet you may reach out to your child's teacher through email or Dojo to let them know your child is engaged in learning even though they do not have a device yet. If there is no contact your child will not be counted as present. A quick email or Dojo will suffice.

Student and Parent Guides to Technology

The resources on this site show students how to log in to their Wake IDs and student email, how to set up and use Chromebooks and Internet hotspots, how to connect to WiFi, how to use learning systems such as Google Classroom and Canvas, and much more. We will continue to add new resources and updates.

Please consider joining the **Lake Myra PTA**. We need you now more than ever. Please visit
