

Principal Message for August 28, 2020

We have had a great start to remote learning this year. I want to thank you for opening your homes to us. With that, please be mindful that we are essentially in your home every day. I would like for you to be mindful that we can see and hear what is happening in your homes. To ensure your privacy, please have your child with their back to a wall when on a Google Meet. This will ensure that others are not in the background. Also, when your child is unmuted, everyone in the call can hear everything in the background also. We want to respect your privacy.

The Single Subject Acceleration Window is open until 8/31. Please email Michele Oates at moates@wcpss.net to request SSA testing. There will be an online option for testing. Testing will take place during days 11-30. If parents turned in a paper copy in the spring, please email Ms. Oates.

BREAKFAST & LUNCH

Meals will be free for all students through August 31st. Beginning Sept. 1st, students will pay for their meals based on their meal benefits eligibility. For the 2020-21 School Year, students who qualify for reduced price meals will receive breakfast and lunch at no cost.

As of September 1st, 2020, they will need to have their Wake County number to receive meals curbside at one location. Applications for free & reduced benefits need to be completed immediately for this school year. To apply online go to www.MySchoolApps.com or you may get an application from the school. If you need add money to your child's account you can go to www.MySchoolBucks.com. For the menu, go to www.wcpss.net

[Please join the PTA.](#)

Spirit Wear - Pre-Order Deadline September 8th

[We've got spirit...how about you?!](#) Pre-order your new Lake Myra Spirit Wear Shirt (as well as some other cool spirit wear items). We will contact you to schedule a pickup time. You will need to provide your student and teachers name when ordering.

Student and Parent Guides to Technology

The resources on this site show students how to log in to their Wake IDs and student email, how to set up and use Chromebooks and Internet hotspots, how to connect to WiFi, how to use learning systems such as Google Classroom and Canvas, and much more. We will continue to add new resources and updates.

If you have an immediate need please contact me directly at tzarzecki@wcpss.net.

Sincerely,
Tina Zarzecki
