**MARK YOUR CALENDARS...**Our 2nd Diving into Data night will be on Thursday, March 19th from 4:45-6:30pm. Just like last time this is a chance to see how your student is progressing towards meeting specific math or literacy grade-level standards (don't worry everything is confidential) and partner with your student's teacher to set goals and learn fun ways to help support their learning at home.

Have a great weekend.

Sincerely,

Tina Zarzecki
