

Principal Message for July 10, 2020

Hello Lake Myra Families!

We expect to start the school year using a blend of in-person instruction and online instruction. Details are outlined on page 5 of the [Return-to-Campus Guide for Families](#). At this time, the governor has not yet made a specific recommendation about school calendars. We believe it is critical, however, that you and your child's school have time to plan for the coming year. If the state requires additional calendar changes, we will let you know quickly so you can make necessary adjustments.

K-12 families will have the option to choose the [WCPSS Virtual Academy](#) if they are not ready or able to return to a school campus. Details are on page 6 of the [Return-to-Campus Guide for Families](#).

WCPSS has extended the deadline to decline transportation and Virtual Academy Transportation Policies to Monday, July 13 at 5 p.m. <https://www.wcpss.net/declinebus>
If you were a bus rider last year and you are considering registering for the Virtual Academy but have not yet decided, you do not have to decline your seat at this time. If you were a bus rider and do register for the Virtual Academy, you will be automatically removed from the transportation system for the first semester of school. You will be automatically assigned to the bus again if and when schools reopen on a normal schedule with all students in the building.

Virtual Open House dates have been set. On Wednesday, July 15th we will hold Virtual Open House at **10:00 am and again at 6:00 pm**. I will share the link the day before the event. Information regarding re-opening procedures will be discussed. The same information will be presented at both times.

Please check our school website <https://www.wcpss.net/lakemyraes> for specific grade level Virtual Open House event dates and Supply Lists. Information regarding teacher assignments will be released the first week of August.

Summer hours will be Mondays from 9-12 and Wednesdays from 1-4. The school will be closed outside these hours. Please contact the school if you need a special accommodation.

If you have an immediate need please contact me directly at tzarzecki@wcpss.net. Have a great summer!

Sincerely,
Tina Zarzecki
