

Principal Message for July 9, 2021

Greetings Lake Myra Families!

Welcome to 2021-22 at the Lake! School begins Monday, August 2nd! We cannot wait to see familiar and new faces.

We will be having **Family Partnership Day on Wednesday, July 28th from 12-7pm**. For 1st-5th grade students, families will receive an email on July 13th or 14th indicating who your child's teacher is and a link to sign up for a time to visit the classroom on July 28th. New incoming Kindergarten families will not find out who their child's teacher is until Friday, August 6th after staggered entry. Kindergarten families may visit the school on Wednesday, July 28th from 2-5 pm for a "Popsicle Pop-In".

You can also sign up for bus service (for base students), sign up for lunch accounts, join the amazing PTA, purchase spirit wear and spirit stix, and receive general school information. We hope you can make it. If you do not receive an email this indicates that we do not have a current email address for you. Please contact the school at 919-365-8990 after July 14th to find out who your child's teacher is and how you can sign up for a time to visit the classroom. When you call please provide an updated email address. We look forward to seeing you. If this date does not work for you and your family, please contact the school at 919-365-8990 and we will try to best accommodate a time that works for you prior to school starting. Students participating in the Virtual Academy will have a separate time to meet their teachers.

If you are interested in Before or After School Care please fill out the following form and send to Sandra Ramirez Tapia, our BSC/ASC Coordinator, at sramireztapia@wcpss.net. The form can be found at https://docs.google.com/forms/d/199-ntW0TqO_TujCL8D_CG4KTKeBJftigt831_TRgEkY/edit.

To minimize the spread of COVID-19, our school follows all COVID-19 health measures required by the NC Department of Health and Human Services. Review our [Safe Return To School Plan](#) before the first day of school. Remember, all students must stay home when sick, wear a face covering in school and should maintain as much physical distance as possible on campus. Please notify your student's teacher or me as soon as possible if your student is diagnosed with COVID-19, so we can work with health officials for confidential contact tracing. Together, we can keep our students, staff, and community healthy in a safe and welcoming environment at school.

If you have an immediate need please contact me directly at tzarzecki@wcpss.net.

Sincerely,
Tina Zarzecki
