

Principal Message for March 19, 2021

Greetings Lake Myra Families!

We will be opening the **Before & After School Care Programs** beginning April 14th, when we track back into school. If you are interested, please contact Sandra Ramirez Tapia at sramireztapia@wcpss.net or call 919-365-8990. She will confirm availability with you at that time.

Spring Picture day for Virtual Academy students is Monday, March 29th. It is scheduled for Thursday, April 22 for face-to-face students. Please see the link below to sign up for VA information. VA Students should sign up for a spot for Monday, March 29th at <https://www.signupgenius.com/go/8050c4baeae2fa3fe3-109265> If you are a VA student and cannot make the March 29th date, you may come on April 22, 9-3pm.

The window for parents to request SSA testing (**Single Subject Acceleration**) is now open. Parents must request by March 22. If you are interested in a request for your child, please email Mrs. Oates (moates@wcpss.net) if you could not attend one of the scheduled meetings and she will work on scheduling an individual time with you.

The state recently passed SB220. This allows any students with IEPs or 504s an opportunity to return to school for face-to-face instruction if in Virtual Academy. All requests for any students to return face-to-face must be made to administration by April 1, 2021, at tzarzecki@wcpss.net. To meet your request a teacher or class change will be likely.

The PTA is actively looking for help for the 2021-2022 school year. Several current board members have completed their terms and there are positions that need to be filled (both Board and Committee Chairs). Without these filled positions, there can be no PTA. Please consider helping. ❤️❤️ An interest form can be found here: <https://forms.gle/bAacL4RuTLLFt4TR6>
