Our 2nd **Diving into Data** night will be on Thursday, March 19th from 4:45-6:30pm. This is a chance to see how your student is progressing towards meeting specific math or literacy grade-level standards and partner with your student's teacher to set goals and ways to support their learning at home.

Rising 6th Grade parents, we are beginning to complete **Middle School Registration** forms for our students. Please be looking for information coming in the Monday Folders from Ms. Knapp.

Leadership Day is March 27th. While we would like to invite all parents and community members, however, we do not have the space to accommodate that many guests. For this reason we invite 5th grade parents, Kindergarten parents, and incoming Kindergarten parents, along with our PTA Board members and community members. I hope you can understand. We will be streaming the event so that you may watch it online if you would like.

Our **Quarterly Celebration** of Learning will be held on Tuesday, March 31st during your child’s specials. You are invited to attend so that your child can have the opportunity to showcase what they have learned this quarter.

BIKE Safety & Community Night is Friday, March 27, 2020 at 5:30-7:30 in the carpool loop at the Lake. We will have friends from the Wendell Fire & Police Departments as well as Food Trucks if you want to grab some dinner. All are welcome. You do not have to have a student at Lake Myra to attend. Bring your neighbors.

The LMES PTA is having a SNACK DRIVE. All donations will go to support our students here at Lake Myra

who do not have the ability to bring a snack daily. You may drop donations through carpool or at the Front Office. Please direct any carpool helper to take it to the front office. You may also bring snack donations to Bike Safety Night.

EOG Dates for June are scheduled. June 17 (3rd Grade Reading), June 18 (4th and 5th Grade Reading), June 22 (4th and 5th Grade Math), June 23 (3rd Grade Math), June 25 (5th Grade Science).
