Lake Myra is a Title 1 school, meaning we receive federal funds to support our students. As a **parent in a Title 1 school, you have the right to be provided information regarding professional qualifications of teachers and paraprofessionals.** We are required to have all employees at a Title 1 school be "highly qualified". We currently meet this requirement. You have the right to request this information for employees in Title 1 schools. If you would like to make this request, please reach out to me directly and I will share a form to submit this request.

Have an amazing weekend.

If you have an immediate need please contact me directly at tzarzecki@wcpss.net.

Sincerely,
Tina Zarzecki
