

Principal Message for September 13, 2019

LMES Progress Report

I encourage you to take a look at the Lake Myra Progress Report using [this link](#). This report, along with a progress report for all WCPSS schools, is available on the WCPSS website. At LMES, we are very proud of the learning environment we have created that supports the development of the whole child as well as encourages our teachers to be creative in their instructional approaches used for every student each day!

Individual Student Math EOG/EOC Score Reports

Individual student score reports from this past Spring Math EOG/EOC testing should go home in Monday Folders. Contact the school if you did not get your child's individual math score report.

Student Safety

Please be aware that we have many students walking to school in the mornings or riding bikes in the afternoons. Many cross Elk Falls Road. I ask each of you to drive slowly and be highly alert for students and help us ensure the safety of all our students! Thanks so much.

PTA at the Lake

Thank you to all the families that supported the Book Fair and came out for our Arctic family Blast. Ms. Outlaw did an amazing job planning all of the engaging activities. We sold over \$13K in books. The proceeds will go to the purchase of more books for students to earn from reading every night and completing your reading calendar.

Chorus Tryouts

Mr. Lowery will begin Chorus tryouts on Thursday, September 19 at 8:00 am. He is sharing this information with all students and providing an interest form. Please be looking for your child to bring this home if they are interested in Chorus.

Principal Coffee

You are invited to attend a meeting with the principal on Wednesday, September 25 at 8:00 am. I will be discussing our school data and our school improvement plan. Everyone is welcome.
