

Principal Message for March 26, 2021

Greetings Lake Myra Families!

Monday and Tuesday, March 29th and 30th are Remote Learning days. We will be tracked out Wednesday, March 31-April 14. There will be no remote learning during track out. Instruction will begin again on April 14th.

We will be opening the **Before & After School Care Programs** beginning April 14th, when we track back into school. If you are interested, please contact Sandra Ramirez Tapia at sramireztapia@wcpss.net or call 919-365-8990. She will confirm availability with you at that time.

Spring Picture day for Virtual Academy students is Monday, March 29th. It is scheduled for Thursday, April 22 for face-to-face students. Please see the link below to sign up for VA information. VA Students should sign up for a spot for Monday, March 29th at <https://www.signupgenius.com/go/8050c4baeae2fa3fe3-109265> If you are a VA student and cannot make the March 29th date, you may come on April 22, 9-3pm.

Bus Riders Requesting Transportation While Opting Out of Virtual Academy

Eligible bus riders currently in Virtual Academy returning to in-person learning must apply for bus service. The student must meet all transportation eligibility requirements. Students must also submit the daily attestation form. Bus assignments will not be provided until the attestation form is received. Parents should visit the transportation website to apply for service (wcpss.net/busrider) and submit the attestation form (wcpss.net/busform). Requests made for transportation will be closed after three days if the attestation form is not received, and the parent will be notified. Students will be assigned to a bus as quickly as possible after the attestation form is received. Typically, riders are assigned within a few days after the department receives all required information. Depending on the volume of students returning to in person learning, it could be longer. We will be sharing this in Thursday's staff and community messaging. Please reiterate in your school communications.

Report Cards for Q3 will go home on April 23, 2021.

The PTA is actively looking for help for the 2021-2022 school year. Several current board members have completed their terms and there are positions that need to be filled (both Board and Committee Chairs). Without these filled positions, there can be no PTA. Please consider helping.   An interest form can be found here:
