Hello Parents, Students, Staff, and Community Friends of East Wake High School,

Welcome to a new year of school, friends! The East Wake High School PTSA are looking forward to working with our school teams, members of our Eastern Wake Community, and all of you to provide an excellent learning experience for our students. I encourage you to join the PTSA to be an advocate for all students.

My own kids are students at East Wake, I understand how important your children are to you and that you want nothing but the best for them when it comes to their education. Research shows that children learn more and have better *lives* when **parents, school staff, students**, and the **community** work together. Let's come together this year to make it the best year yet for the amazing students.

The PTSA Mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for ALL children.

Our goals for EWHS PTSA during the 2022-2023 school year include but are not limited to:

- * **Generate more parental involvement in the educational process**
- * **Create more partnerships between the community and the school**
- * **Show teachers and staff our deep appreciation for all they do**
- * **Build school spirit with our students, families, staff, and community**
