**AM Carpool Drop-Off and Health Screen Reminders**

**Carpool drop off is speeding up – thank you!!! Our goal is to have all students screened and in the building before the 9:15am tardy bell.**

**If you arrive after 9:15am, please walk with your child to the door and wait with them while they are screened.**

- On chilly mornings, **turn off the heat** in your vehicle as you approach the carpool “loop”. A warm car will give an elevated temperature reading. If this occurs, you will be asked to pull over and park for your child’s temperature to be taken again (with time between readings) before being allowed

into the building. With three failed attempts, your child will not be permitted for in-person instruction that day.

- Have your child sit on the passenger side of the vehicle.
- Students should have their belongings organized and, in their lap, or hands. Please help your student be ready to exit once the health screening procedure is complete.

**Did a student go home sick? All household members must also go home**

*If a WCPSS student (or employee) does not pass the health screening or if they stay home or are sent home because they are experiencing a symptom of illness, their household members must also stay home. This means that any WCPSS student or employee living in the same house must quarantine for 14 days. The household members may return sooner than 14 days if the person experiencing a symptom of illness receives confirmation of an alternate diagnosis or a negative PCR/Molecular test.*

If you have questions, please reach out to Tiffany Rich (919-570-2110, [trich@wcpss.net](mailto:trich@wcpss.net)) or Gladys Washington (919-570-2100 x 20242, [gwashingt@wcpss.net](mailto:gwashingt@wcpss.net)).
