Dear FVHS Parents,

Wake County Public School System is pleased to continue a service that enhances communication by allowing us to deliver important information to you. **We have expanded our current communication service to include text messaging and email.**

The School Messenger Notification System will alert parents and staff on matters such as principal messages, school closings, early dismissals, attendance, special activities and school emergencies.

You can simply opt-in to receive text messages by texting YES to the number 67587 now. The new school messenger features will take effect the day you respond to the opt-in message. Note: If you have already opted in for another school, you will not receive the opt-in text message.

In addition to performing the opt-in process, you will want to ensure that we have your current phone numbers and e-mail addresses in our student information database. If you feel that this information is incorrect, you can fill out a change in contact information form that is located on our school website (fvhs.wcpss.net) or by picking up a form in our main office.

Lastly, the expanded service calls multiple phone numbers for all associated parents/guardians. You can choose how you would like to be contacted by using the new SchoolMessenger infoCenter website or infoCenter mobile app for Android and iOS. Review the **Parents Guide to infoCenter** (<http://bit.ly/sminfocenter>) for instructions on setting up your infoCenter account and setting your communications preferences. For support, please review the **Parent FAQ** (<http://bit.ly/sm-parent-faq>).

If you have any questions, please feel free to contact us. More information can also be found at www.wcpss.net/schoolmessenger.

Thank you,

Terrance McCotter, Principal
Fuquay Varina High School

“The mission of Fuquay-Varina High School is to provide a relevant and engaging education and graduate students who are collaborative, creative, effective communicators and critical thinkers.”
