### Independent reading principles (K-2)

### Ideas for combating summer reading slump

### Middle School Transition hosted by Family Academy

Parents will learn who's who in middle school, academics, the day-to-day specifics, extracurricular activities and how to access the Home Base Parent Portal which gives real time information including attendance, grades, and assignments.

### EOG Readiness

Have your questions answered and learn about what you can do to help your child to prepare.

### Growth Mindset

Learn what this latest buzz phrase is all about and what we're doing in our classrooms to support all students in taking risks and thinking forward.

### Technology Tools & Cyber Safety

Learn how students are using Google Apps for Education, developing online portfolios, and where to find great technology for kids. Parents will also learn about digital footprints, cyber security and how to help navigate the online community safely.
