Your child will take their EOG Reading assessment this week. Please encourage your child to:

- Read the passage 1 to 2 times.
- Highlight the main ideas and look for context clues around them to help define key terms.
- Underline any information that will help answer the questions.
- Read the questions again and cross out any answer choices that are definitely wrong.
- Double-check their evidence for all questions before moving on to the next passage.
- Remember to pace yourself and take breaks!
