Military Connected Families

Military-connected families, complete this form as soon as possible

Are you a military-connected family?

In an effort to ensure that the unique needs of military-connected students are met, state law requires that schools collect information on military-connected students. The goal is to help accommodate these students by providing them with support and consistency when their parents are deployed, when they are transitioning between schools, and at other pivotal times during their academic career.

Student Sign-in and Sign-Out

Families, here's a few reminders about student sign-in and out procedures.

1. If you are arriving to campus late, you **MUST** walk in your student to sign in. This is a safety issue. Please do not drop them off curb-side. We want to ensure that our children are arriving to school with an authorized parent/guardian/adult.
2. There are no sign-outs of students after 1:45 pm. This is our policy because the carpool lanes start to get congested at that time. If your child has a doctors appointment in the afternoons, please plan accordingly. Either sign-out your child prior to 1:45 or make the appointments later in the afternoon.

Tridents Baseball

Tridents Club Baseball Team are holding baseball tryouts on 9/19 and 9/21 from 6-7:30 pm at Bond Park field 6. Here's some more information about the Tridents Club Baseball Team.

Here's a link to the Tridents Informational Flyer

Students can register for baseball tryouts using this link to our Google form: <https://forms.gle/nvJiDrC3u1JFA3NG8>

The JV team includes 6th graders and some 7th graders. The Varsity team includes some 7th and 8th graders.

JV generally practices on Tuesdays and Thursdays. Varsity generally practices on Mondays and Wednesdays. Practices start in February and the season starts in March. Both teams play 1-2 games a week through the middle of May for a total of 16 games per team.

Since we are a privately funded league, each team has to raise its own money to rent practice and game fields, pay umpires, buy insurance, replace equipment, etc. Team fees are \$325 per player.
