Hello West Cary Families, this is Mike James, Principal with information about our Open House.

Open House – Thursday, September 9, 2022

Open House will be next Thursday, September 8, from 5:30-7 pm. This will be a time when you will walk your child's schedule in the order of their classes and meet all of their teachers. Teachers will have a short presentation in each class about what your child will be learning and experiencing in those classes.

Your child will receive a template to fill in their daily school schedule. Students will complete this task on Wednesday, September 7. This schedule will be your guide for rotating to the different teachers classrooms.

Here's some logistics for how the Open House event will go.

5-5:30 – Fine Arts Boosters meeting in the media center.

5-5:30 – Academic Intellectual and Gifted (AIG) program interest meeting - Auditorium

5:30-7 pm – families rotate through your child's classroom teachers in the order of their schedule

- Parents will enter each teacher's classroom and the teachers will have a short 10 minute presentation about their classes and what your child will be learning in those courses.
- There will be announcements made over the intercom for families to rotate to the next classroom on their child's schedule.

Open House will NOT be a time for parent conferences. If you need additional time with a teacher regarding your child or any follow-up questions about a teacher's presentation, please email the teacher to make arrangements for a more in-depth follow-up conversation.

A Spanish flyer for Open House can be found here. [link](#)

Thank you,
