Children's Book: *Officer Buckle & Gloria*

Free Choice Center:

Blocks or Dramatic Play

Subject to teach: Math

About Ms. Booth

I attended Meredith College in Raleigh and have a child development degree and a license to teach K-6.

This will be my 6th year teaching kindergarten! I taught 3 years at Millbrook Elementary before coming to Brassfield in 2018. I am a National Board Certified teacher and love to continue learning about new ways to teach!

My family lives in the Raleigh area, so I see them often. I have a black lab, Emma, who loves cuddles, walks, and watching tv! When I am not at school I enjoy reading books, walking Emma, crafting on my Cricut, cooking, and trying to re-learn sewing!
