Daniels Magnet Middle School Families,

It took a few days to get students back in the school routine. Towards the end of the week we noticed students had regained the stamina necessary to get through a long day of learning.

Congratulations to the boys and girls basketball teams for big wins this week.

The second quarter ends on Monday, January 27th. Third quarter and second semester electives will begin on Tuesday, January 28th. That means there are only two weeks left in the quarter. Be sure your child is utilizing PowerSchools to ensure they do not owe any missing work prior to gradebooks closing.

Our end of the year awards assemblies have been scheduled for Thursday, June 11th.

8th Grade: 9:00-11:00

7th Grade: 11:30-12:30

6th Grade: 1:00-2:00

I will be sure to send out more detailed information as we approach the end of the year.

St. Baldricks

Team TACKLE (Teachers Against Cancer Killing Little Educatees) is back for year 14. If you are unfamiliar with St. Baldricks, it is an organization that raises money (and awareness) to fight childhood cancer. For more information check out StBaldricks.org. Fourteen years ago a group of teachers formed Team TACKLE. We went several months without haircuts, raised money, and then went downtown to have our heads shaved. Over the years Team TACKLE has impacted hundreds of families and been a part of several schools. Team TACKLE has raised \$165,000 in its existence.

WAYS TO GET INVOLVED

1. Have your child become a shavee. He or she can grow his or her hair out over the next two months, raise money, and then on Saturday, February 29th go bald to put a stop to childhood cancer.
 - [Register your child to be a shavee](#)
2. Donate. You can give to Team TACKLE members or you can donate to your favorite teacher or possibly principal to help them reach their goal.
