

Daniels Magnet Middle School

2816 Oberlin Road
Raleigh, NC 27608
(919) 881 - 4860

Daniels Magnet Middle School Families,

A very interesting week back to school. Not a lot of updates, but we did open the building on Friday for staff. Our custodians did a great job of clearing parking lots and walkways, so that we will be prepared for when students return. The make-up days for these two days will be: Monday, January 22nd and Monday, February 19th. **Please come out to our first Dance Concert on Tuesday at 7:00 in the auditorium (more information below)!**

Winter Dance Concert

Kate Cummings, a former high school dance director from Raleigh, came to the school to teach introduction dance to grades 6th-8th. The amount of students of students interested in dance class is exciting! Each class is full of young passionate dancers from various backgrounds and experience. Over the course of the past semester these dancers have learned about modern and jazz dance history, basic technique in modern, jazz and ballet, improvisation and choreographic skills.

To showcase all of their new skills there will be the Winter Dance Concert this Tuesday January 9th in the Daniels Magnet Middle School. The concert will feature pieces from each of the five introduction to dance classes as well as additional solos and duets that auditioned their own student choreography. The Winter Dance Concert starts at 7:00pm and is FREE admission.

For more information about how your dancer can be a part of a growing program follow @danielsmsdance on Twitter and Instagram or contact Mrs. Cummings at kcummings3@wcpss.net.

WCPSS Parent Letter

In an effort to better inform everyone in the community about what's going on in WCPSS, the district is launching a new newsletter. The newsletter will be sent no more than once a month to all WCPSS parents. It will consolidate information sent from the district and should reduce the total number of emails parents receive.

AIG Evening

There will be an AIG parent meeting for parents of AIG students on Tuesday, January 9 in our media center. The times are as follows: 6th grade is 5:00-5:20, 7th grade is 5:25-5:40, and 8th grade is 5:45-6:00. There will be a quick presentation from Ms. Yarborough, our AIG teacher, explaining the AIG program at Daniels, and student work will be showcased. This meeting is not mandatory, and if you have any questions, please contact Ms. Yarborough at eyarborough@wcpss.net.

Annual Asbestos Information

Here is the [Annual Asbestos Report](#).

Canvas for Parents

As of **December 4, 2017**, parents can use the Canvas Parent app on Android and Apple mobile devices to stay up-to-date with their student's Canvas courses. The app helps parents stay up-to-date with Canvas course assignments and deadlines.

Parents will be able to connect to their student's Canvas account by creating their own account in the Canvas Parent app and then having their child log-in with his/her Wake ID information on the parent's device in order to link the accounts.

Parents can visit <http://canvas.wcpss.net/canvasparent> for additional information and support.
