Greetings Oberlin Families,

It was a great week showcasing our school spirit. Thanks to all of our families who joined us to support our soccer, volleyball, cheer, and football teams. The opportunities for fun and community building made for an extra special night at Broughton. With the end of the first quarter approaching, please check in with your student to ensure they are in good standing with assignments prior to the end of the quarter.

Willing to Volunteer to Support Eighth Grade Students with Early College Applications - We need you . . . Many of our students are first generation college students, and we are seeking volunteers to help them with their Early College applications. You don't need extensive language arts teaching experience, just the willingness to sit with a student and help them clarify their writing. More information [here](#).

School Safety Principal Chat - Thanks to all of our families who joined for our Principal Chat on school safety this past Wednesday. [Here](#) is a link to the presentation and information shared. At any time, please do not hesitate to reach out to an administrator with a question or concern around school safety. We remain grateful for and need strong relationships with our parents and greater community to ensure our school is as safe as possible.

Club Opportunities

Along with exploring various genres of video games, students will also have the opportunity to learn key 21st century skills such as learning to code through Minecraft and learning to collaborate with one another. Stop by Ms. Totherow's room for a permission slip or email dtotherow@wcpss.net for more details. This club will meet every other Monday beginning Monday, October 23rd.

Volunteering at Oberlin - We welcome and are beyond grateful for the parent and community volunteers who make extra special learning experiences possible and celebratory events more engaging for our students. Please, please, register to be a WCPSS Volunteer using this [link](#).
