

Oberlin Family Updates  
Wednesday, October 21, 2020

1. Click this link to see the [bell schedule](#) that we will begin using on Monday, November 9 when our Plan B students return to the building. This schedule will allow teachers to accommodate Virtual Academy, Face-to-Face, and Remote students simultaneously. We recognize this schedule is a change for all students. However, we feel this will allow us to best meet the needs of all our students and staff.
2. Here's the link to the [Oberlin master calendar](#) that outlines cohort rotations, remote learning days, and asynchronous days.
  - a. Cohort C/3 (6-8th graders) return on Monday, November 9 for that week with the exception of Wednesday, November 11 which is a Holiday for all students.
  - b. Cohort A/1 (6th-8th graders) return on Monday, November 16 for that week with the exception of Wednesday, November 18 which is an asynchronous day.
  - c. Cohort B/2 (6th-8th graders) return on Monday, November 30 for that week with the exception of Wednesday, December 2 which is an asynchronous day.
  - d. The rotation continues in this order throughout the first semester.
3. Here is the list of **asynchronous days** and **remote learning days**.
  - a. **Asynchronous Days** - Wednesday, November 18, Wednesday, December 2, Wednesday, December 16, Wednesday, January 6, Wednesday, January 13
  - b. **Remote Learning Days** - Monday, November 23, Tuesday, November 24, Friday, December 11
4. **Broughton High School** is offering virtual tours for prospective students and their parents/guardians! Dr. Ashburn, Broughton's Principal, and Dr. Brooks, Broughton's Magnet Coordinator, would love to have you join them for a virtual tour of all that Broughton has to offer students and their families. To sign up for a tour, please use the following link: [Broughton Global Studies/Language Immersion Magnet High School Tour & Open House Registration, 2020-21](#).

5. Dr. Ashlie Thompson, Central Area Superintendent, has shared that she anticipates a candidate for the position of **Oberlin Magnet Middle School Principal** will go to the WCPSS School Board for approval on Tuesday, November 10. A start date has not yet been determined.

6. As families with students in the **cohorts prepare to return** for the weekly rotations, we ask you to be mindful of the following:

- a. **Morning drop-off** - all students will have to pass the “health screening” each morning before being allowed to get out of their car, leave the bus, and enter the building. Walkers will need to report to the cafeteria entrance at the mini-loop for their health screening.
- b. The [health screening](#) consists of a temperature check and responding to questions about Covid exposure and related symptoms. Please know that as a result of these screenings, carpool wait time may be slightly longer at first.
- c. **Carpool Tags** - each car will need to have a tag displayed so that staff can call your student to the car in the afternoon. You may pickup a carpool tag in the main office between the hours of 8:00 and 3:00. Your child will need to remember his/her carpool number.

7. More information about our **Back to School routines and procedures** will be shared in next week’s update.

We appreciate your support, patience, and attention as we share these updates. Please reach out to your grade level administrator or the front office (919 881-4860) if you have any questions.
