Daniels Magnet Middle School Families,

Thank you to all the families who came out for Curriculum Night. We had an excellent turnout and we hope that parents left with a better understanding of what their child is doing on a daily basis, how they can provide support at home, and how many steps their child gets a day traversing the Daniel campus. We are following up with the county regarding the lack of air conditioning that evening. I appreciate everyone braving through the hot temperatures.

A special thanks to the PTA for providing dinner to staff on Curriculum Night. It is a long day for teachers, but enjoying a nice meal with colleagues definitely makes it easier.

I will be out of the building all of this week. I apologize for not being on-campus. Please be sure to communicate with your grade level administrator if you have a question or concern.

Help the Hive No Fuss Fundraiser

The Daniels PTA is rolling out its No Fuss Fall Fundraiser, "Help the Hive," on October 14. The funds raised will this year will help upgrade classroom technology by providing more laptops for our core classrooms, elective learning, and student projects. **We want to put our students ahead of the technology integration curve with a 2:1 student to laptop ratio.**

This year the PTA has chosen a "no fuss" fundraising campaign this year. No more buying wrapping paper and candles you don't need! No student selling and 100% of funds raised goes right back into Daniels.

HELP THE HIVE officially kicks off on October 14, but you can make your contribution right now. Go to the PTA website for more information.
