Daniels Magnet Middle School Families,

The first quarter is in the books! Students will receive their 2nd quarter schedules in homeroom on Monday.

Here are the questions from last week's "Hive Time."

- What do you value you in a friend?
- Share something that makes you laugh?
- What is your favorite movie and why?
- What is your perfect dinner?

The next "Hive Time" will provide students with an opportunity to goal set.

There are some changes to the athletic schedule for next week. The football game that was rained out has been moved to Monday, November 4th at North Garner at 3:45. The last home football game originally scheduled for Wednesday November 6th has been moved to Thursday November 7th against Ligon at 3:45.

Signs of Suicide (SOS)

Student Services will be teaching the SOS (Signs of Suicide) Lesson for all of the 7th Graders in the coming weeks. We will teach the lesson during 1st Pd and will screen students, as needed, through the remainder of the school day. The schedule is below:

Tuesday, November 5th – Salty Dogs

Tuesday, November 12th - Tigersharks

Tuesday, November 19th - Marlins

Letters were sent home with students this past Tuesday (October 29th) explaining the program. This is a county mandated session. However, for parents preferring that their student opt out can send the signed letter back to Student Services or email Katherine Blanton (7th grade counselor) at kblanton@wcpss.net.

Our goals in Goals in participating in the SOS program:

- To help our students understand that depression is a treatable illness
- To explain that suicide is a preventable tragedy that often occurs as a result of untreated depression
- To provide students training in how to identify serious depression and potential suicidality in themselves or a friend
- To impress upon youth that they can help themselves or a friend by taking the simple step of talking to a responsible adult about their concerns

- To help students know whom in the school they can turn to for help, if they need it

Basketball Tryouts

Girls and Boys basketball tryouts begin Tuesday November 12th. All interested 7th and 8th grade students need to turn in a completed athletic participation form to be eligible to tryout (6th grade students cannot participate in athletics but are encouraged to tryout to be a team manager).
