Signs of Suicide (SOS)

Student Services will be teaching the SOS (Signs of Suicide) Lesson for all of the 7th Graders in the coming weeks. We will teach the lesson during 1st Pd and will screen students, as needed, through the remainder of the school day. The schedule is below:

Tuesday, November 5th – Salty Dogs

Tuesday, November 12th - Tigersharks

Tuesday, November 19th - Marlins

Letters were sent home with students this past Tuesday (October 29th) explaining the program. This is a county mandated session. However, for parents preferring that their student opt out can send the signed letter back to Student Services or email Katherine Blanton (7th grade counselor) at kblanton@wcpss.net.

Our goals in Goals in participating in the SOS program:

- To help our students understand that depression is a treatable illness
- To explain that suicide is a preventable tragedy that often occurs as a result of untreated depression
- To provide students training in how to identify serious depression and potential suicidality in themselves or a friend
- To impress upon youth that they can help themselves or a friend by taking the simple step of talking to a responsible adult about their concerns
- To help students know whom in the school they can turn to for help, if they need it
