## Daniels Magnet Middle School Families,

I should probably start this week's message with my dominate cricket eating victory on Wednesday. If you were unable to view this amazing accomplishment, here is the [video](#). Thanks again for all the contributions during our Fall Fundraiser that made the competition possible.

We had our 4th Hive Time of the year on Wednesday morning. The students started the session by watching the cricket eating competition. The rest of Hive Time consisted of students describing themselves, working in groups to determine commonalities based on their self-descriptions, and then working as a whole class to answer the questions: "What are some ways that we can work with our differences to make our school a better place?" and "What is something you

would like to see the school unite around?"

Remember that this Friday is an instructional make-up day.

## Ultimate Frisbee

Come out and play the best game...ultimate frisbee. Ultimate frisbee is a combination of soccer, football, and basketball. No experience is necessary and all grade levels are welcome. Players will meet at the soccer field on Wednesdays (December 4th-January 29th) from 3:00-4:15.
