Daniels Magnet Middle School Families,

More than halfway through the year! Students started second semester (3rd quarter) electives on Tuesday. Be sure to ask them how they are liking their new classes. We will be sending report cards home next Friday.

We would like Ms. Deberry back to the Tiger Sharks! She is very excited to get back to working with her students on Monday.

The Science Olympiad Team competed today (Boomilever, Elastic Launched Glider, Mousetrap Vehicle, and Ping Pong Parachute) at the Regional Competition at Southeast Raleigh High School. I will be sure to send the results next week.

Check out the Band Concert from 7:00-8:00 on Thursday night!

St. Baldricks

Team TACKLE (Teachers Against Cancer Killing Little Educatees) is back for year 14. If you are unfamiliar with St. Baldricks, it is an organization that raises money (and awareness) to fight childhood cancer. For more information check out StBaldricks.org. Fourteen years ago a group of teachers formed Team TACKLE. We went several months without haircuts, raised money, and then went downtown to have our heads shaved.

Over the years Team TACKLE has impacted hundreds of families and been a part of several schools. Team TACKLE has raised \$165,000 in its existence.

WAYS TO GET INVOLVED

1. Have your child become a shavee. He or she can grow his or her hair out over the next two months, raise money, and then on Saturday, February 29th go bald to put a stop to childhood cancer.

- [Register your child to be a shavee](#)

2. Donate. You can give to Team TACKLE members or you can donate to your favorite teacher or possibly principal to help them reach their goal.

3. Purchase a shirt [here](#).

Any current 8th grade students taking Mandarin and interested in continuing in high school must apply to a magnet high school to have access to the language. Broughton, Millbrook, Garner, Southeast, and Enloe are all magnet high schools that offer Mandarin.

Benchmark Testing

Wake County has created benchmark tests for language arts and mathematics. All students will take this midterm assessment (happening within the next month). The assessment will not count towards student grades. Test data will be used to assess student progress at the mid-point of the school year and inform instruction for the remainder of the year.

National Online Safety

I found a plethora of resources for parents regarding online safety from the National Online Safety department. The resources are easy to read and cover a variety of digital platforms (TikTok, FaceApp, Minecraft, Snapchat, Reddit, Houseparty, Fortnite, and a lot more).
