Daniels Magnet Middle School Families,

We officially finished our winter sports season. Thanks to all of our coaches and all the parental support that made this a successful season. No rest for the weary as we immediately transition to spring tryouts this week (starts Monday). Congratulations to the 576 students earning Honor Roll for the second quarter. Honor Roll is an attainable goal for all of our students. We had an unbelievable Teacher Appreciation Week put on by the PTA. With our passports, the PTA took us on a culinary trip around the globe. Words cannot express how grateful Daniels is to have such a supportive community.

Science Olympiad

The Daniels Science Olympiad competed this past weekend at the Raleigh Regional tournament finishing 4th place out of 28 teams varsity teams and earning a bid to the State Science Olympiad Tournament in April. Please congratulate our team members on their success. The Daniels team medaled in 17 of 24 events.

Author Visits

We are so very lucky to have 2 authors coming to Daniels to do programs for our students. Ali Standish will be speaking to 6th Grade classes on February 19 and Scott Reintgen will be speaking to 7th Grade classes on February 28.

We have extended the deadline to pre-order Ali Standish's book *The Ethan I Was Before* to Wednesday, February 14!

Blue Jacket Jamboree is Coming

Daniels families, it is time for Blue Jacket Jamboree February 23 from 4-7pm. Your student will receive their raffle ticket packets on Feb 15 after the pep rally at school. Please encourage them to SELL, SELL, SELL but do so safely and not to a stranger! We have lots of prizes and cash to win!! We will have a photo booth this year, so bring your smiles!! This is a time for students and families to enjoy a night watching the 3 point contest, student basketball game and Staff/Parent game! All proceeds go to the PTA for various activities and events at Daniels
